

WORLD WIDE ALLIANCE FOR EQUINE OSTEOPATHS

2019 Conference
Sponsorship Opportunities

Dear madam/sir,

The WAEO is a non-profit corporation founded in 2013. It was organized for educational and scientific purposes. The mission of the WAEO is to promote the benefits and advance the practice of equine osteopathy.

The WAEO works to provide continuing education for its members and support scientific research in equine osteopathy. To this end, the WAEO holds annual conferences for its members and all others who are interested in the health and wellbeing of the horse. Speakers from around the world will be coming to impart their knowledge and expertise on the topics of equine osteopathy and related fields. We are seeking sponsors to help support this effort to provide an exceptional educational opportunity.
